

Sustainable beautiful plants

FREE for members of
ASLA, PLANET,
USGBC, and APLD

See new & exceptional Monrovia plants that will
create beautiful sustainable landscapes.

Time: Noon to 2 pm, tour & lunch included

Date: 8/11/2010, Wednesday

Location: **Lurvey Landscape Supply**

2550 East Dempster Street
Des Plaines, IL 60016

Phone: 847-824-7411

Hear about the growing interest in plants within Chicagoland's design community. We offer networking, 1.25 credits, lunch and fun included! Trial plants to take home, too! We encourage you to invite your design friends.

Topic:

We will explore **sustainable, beautiful plants** from a nursery perspective and design aesthetic, all in the keeping of the recently released Sustainable Sites Initiative.

About the Event Speakers:

Ian Cooke: Working in collaboration with Monrovia, he provides a critical horticulture landscape link to the design community in the East Coast.

Patty Keenan: When it comes to Monrovia plant knowledge in the Chicagoland area, Patty has it... with 26 years of experience at Monrovia and 15 of those years just within the area. She started like many of us in the industry from the great recommendation by a University of Illinois professor who suggested applying for a Monrovia internship! And then started calling on customers and helping them find the "right" plants.

Hosts:

Monrovia: With over 2,200 Distinctively Better® plants to choose from, there is something for everyone. High-end, tropical, cold hardy, sustainable or your own signature style, we at Monrovia have you covered.

Lurvey Landscape Supply: When it comes to locating and delivering Monrovia plants and soil, Lurvey Landscape Supply in Des Plaines, IL has a "will do" spirit. Write Monrovia on your planting plans and get the plants your clients deserve on any project type.
